

# The Message

In John 14:6 Jesus himself says: "I am the Way, the Truth, and the Life. No man comes to the Father except by me."

"The Message" is a cross that is designed to be a witnessing tool for Jesus Christ. When placed in the Home, Office or Church, it is a piece that testifies to the simple truth of scripture.

His words are used to form the shape of a cross, upon which he died. You can use His words to start a conversation about Jesus. Who was Jesus? He was the Son of God, he is Lord of All.

Roses are placed at the points upon which he was nailed. A vine of nails weaves under the cross so as to suggest life within the cross. The "I AM" is raised and centered so it can be the focal point of the piece.
